

HEALTH AND SAFETY POLICY

(the “Policy”)

1. Our Responsibility to Provide Safe and Healthy Working Environment

Asia Pulp & Paper (APP) Sinar Mas (hereinafter referred as “APP”) recognizes the importance of conducting the business in a manner that ensures the health and safety of its workers, visitors, and complies with relevant legislation, codes of practice and other requirements. We ensure that appropriate arrangements are in place to comply with all duties and enable the pursuit of continuous improvement in its operations and management systems.

Our Operations, Suppliers and Partners

We commit to provide a safe and healthy working condition for the prevention of work-related injuries and ill health to all workers and visitors. We also commit to the prevention or reduction of property loss. To achieve these goals, all workers including their representatives are consulted.

2. Our Approach

APP implements reasonably practicable steps to ensure the health and safety of the workers and visitors:

- 2.1 We identify risks and implements suitable measures to minimize the risks.
- 2.2 We identify and eliminate hazards.
- 2.3 We provide instructions, information, trainings and supervision to enable workers to carry out their task safely and effectively.
- 2.4 We provide effective wellbeing programs, which includes but not limited to substance abuse prevention program (e.g. alcohol, drugs, etc.) and HIV AIDS prevention program.
- 2.5 We provide working conditions that encourages and promotes safe behavior and restrains unsafe acts.
- 2.6 We conduct formal process and management system to enable APP to meet all its legal obligations.
- 2.7 We conduct process to set annual objectives and targets against which its performance is monitored and reported regularly.

APP has implemented Occupational Health and Safety Management (SMK3 Indonesia) and the ISO 45001 International Standard to demonstrate our commitment to the health and safety.

3. Governance

- 3.1 This Policy applies to APP’s operations, suppliers and partners in Indonesia.
- 3.2 The rules applied across our operations are derived from the provisions in this Policy.
- 3.3 This Policy will be reviewed on a regular basis for relevance and its effectiveness to achieve business objectives. To ensure the implementation of this Policy, we conduct regular monitoring and evaluation of its progress.

3.4 Sustainability and Stakeholder Engagement Division is appointed to coordinate the day-to-day implementation of APP's occupational health and safety in line with this Policy. APP¹ regularly reviews the progress on the implementation this Policy.

3.5 We report the progress on the implementation of this Policy to our stakeholders in a variety of ways that include publications, stakeholder forums and webinars.

This Policy is to further elaborate APP's commitment on providing safe and healthy working environment as stated in the APP's Sustainability Commitment.
